Title: Need to inititate enquiry regarding bomb blasts in Assam.

SHRI NARAYAN CHANDRA BORKATAKY (MANGALDOI): Sir, during the last week, a series of bomb blasts have taken place in Assam, i.e. in Guwahati, Nagaon, Tinsukia, Morigaon and Digboi. A very grave situation is existing there. Actually, in Guwahati city in a Police Station campus, one bomb exploded which has resulted in the death of a constable and a Home Guard and five others have been injured. In Nagaon, one person has died. In Morigaon, two persons have died and 50 persons are injured, in the aforesaid districts out of which, five persons are seriously injured. In the last few months, it is observed that, bomb blasts have become a routine matter. State Government is not serious enough to curb such heinous crimes.

Security measures adopted by the State Government are also not adequate to combat terrorism prevailing in Assam. Under the circumstances, the situation in Assam is very grave. I urge upon the Central Government to intervene in the matter by initiating a CBI inquiry. In the last Independence Day function, there was a bomb blast in Dhamaji in which 13 persons including 10 children did and two Ministers of Assam were said to be involved in the Bomb blast. Considering all this, I urge upon the hon. Home Minister to intervene in the matter by initiating a CBI inquiry into the whole matter and inform the House accordingly.

MR. SPEAKER: Shri Ajit Kumar Singh − not present

Shri Lakshman Singh to speak. This is not a precedent. In future, I will not call you.
